

Dear Military Parent,

The Fleet & Family Support Counseling Services and Child & Youth Programs have teamed up to present Military Kids Club for children in military families. They will meet during or after school hours.

The purpose of this club is to:

- Provide an opportunity for children in military families to connect with each other.
- Offer support with issues such as deployment, making friends, frequent moves, blended families, bullying, resilience, coping skills, teen relationships, self esteem and other growing up issues.

If you would like your child to participate in the club, please complete the permission slip and return that portion. Space is limited and priority is given by the return date of the permission slip.
